Exposing The Truth About The After Life

The Jewish "god" as shown is the Jewish race themselves right from their own high level knowledge. The symbol of their "god" the kabala tree is just the three pillar's which are YHV the actual spelling of their "god" which are the three main nadis and the left and right sides of the body which the male and female nadis connect into the center pillar. And the 33 pathways on the tree [daath is counted] which are the energy systems in the spine leading to the crown. The 22 letters are design to ascend the energy of their "god" the leviathan to the crown.

So what about all the claims of going to magic heavenly realms to be with "god" after one passes on the Jews have told everyone in their Bible. Well one obviously this is a carrot and a stick to get the Goyim to serve the Jewish plan down here on earth. But this is why many people stay in Christianity they are looking for eternal assurance of something after they pass on.

The Jewish Rabbi's the leadership of Judaism in their own kabala texts state the truth. The soul goes to what they call Gilul which is reincarnation. That is all. The Rabbi's know the personality changes in the next life with the subconscious undertones of the previous life's coming into the play. The Rabbi's also know about what they call the ladder of ascending and descending souls. What this means is a soul that is on the lower rungs of the world tree will incarnate spiritually weaker. The worlds are the chakra systems. The souls on the higher rungs which are by spiritual practices are more ascended will incarnate and will be advanced spiritual power. The work you do on the soul stays with you for lives.

What this means is the Rabbi's damn well know what they have done to Gentiles by removing our spiritual knowledge. They have created a situation in which the Gentile souls are incarnated weaker and weaker and thus at the mercy of the Jewish Rabbi's who have stolen and altered this knowledge to work for their alien soul. So that they are in the dominate position on this planet. Part of this reason for the ascending soul in Kabala is to incarnate to bring about the Messiah which is the global Jewish government. Which is the admission of guilt they are using spiritual knowledge to conqueror the Gentiles only. Following the Bible is damning the soul of the Gentiles to incarnate to simply serve the Jews.
